

GIFTS TO I-HOUSE MAKE “A WORLD OF DIFFERENCE”

Jim Block Photo

Each of the remarkable students pictured at left has benefited from a room and board scholarship at International House – a gift that made their I-House and UC Berkeley experience possible.

In the background is the newly established “World of Difference” Donor Recognition wall, bearing the names of over 700 contributors who since 1930 have invested in our mission to promote cross-cultural respect, understanding, tolerance and peace worldwide.*

Turn this page to review our annual HONOR ROLL OF DONORS and visit us online at ihouse.berkeley.edu to read about our residents and our work – and the difference you can make to support both.

INTERNATIONAL HOUSE: *INSPIRING LEADERS FOR GLOBAL UNDERSTANDING*

* *The World of Difference Donor Wall recognizes donors whose cumulative gifts total \$5K or more.*

HOW DO GIFTS TO I-HOUSE MAKE A DIFFERENCE?

These gifts to I-House over the past decade have made possible:

- More than 700 individual scholarship recipients – each with promise equal to that of the notable I-House alumni that preceded them, including seven Nobel prize winners.
- Dozens of critical seismic and safety upgrades to our 240,000 square foot historic building serving 600-1,000+ people daily.
- Thousands of public-access lectures, films, musical and dance performances representing dozens of distinct cultural perspectives from around the world.
- One hundred endowments that support I-House scholars and their future achievements, programs to garner attention to critical issues of the day, and critical care for a historic home that makes all our work possible.
