A GLOBAL COMMUNITY
ADVANCING A WORLD OF GREATER UNDERSTANDING

International House is a non-profit living and learning program center at the University of California Berkeley that fosters boundary-breaking discoveries, cross-cultural friendships, and global leadership for a world of greater understanding. Since 1930, we have served students and scholars representing 150+ countries, including the U.S., creating a world-wide alumni community 80,000 strong.

Gala proceeds benefit the Fund for I-House. This fund provides critical scholarships for residents of exceptional promise and financial need, enables preservation and improvements to our historic building, and undergirds diverse intercultural program and training opportunities that serve our residents, campus, community and alumni worldwide.
