HEALTH TIP #5
SEPTEMBER 21, 2014

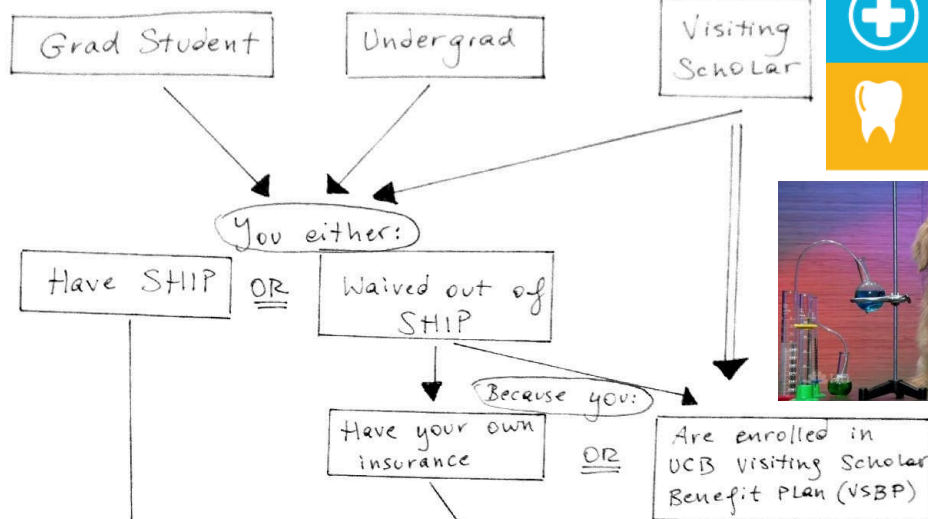

Berkeley
SHIP
student health insurance plan

Hey everyone, it's Gio again (happy now, lexa????). Here's a flowchart about SHIP that I drew because I am literally so bad at computers; use it to figure out how to actually pay for Tang Center services. I figured this was the hardest information to find/make sense of, so yeah.

In order to find out how to access the services, which services are available, and at what cost, you can either go to the Tang website (which you will find in the lower left hand corner of this tip) or go to the Health Worker Board outside the dining hall.

Warmest Regards,
Gio

In order to pay for University Health Services, you must:

Pay the fees for service via cash, check, VISA, MasterCard, Cal I Card, or by charging to CARS.

After your visit, request a blue-colored "Encounter Form" and take it to the Cashier on ground floor of the Tang Center

Pay for services on the same day of your visit, and ask Cashier for a receipt

Use the receipt to complete the "Claim Form" provided by your particular insurance company, and mail receipt and form together (unless otherwise specified)

Insurance company will mail you reimbursement check

If you are unsure whether you have SHIP or not, please call the SHIP office:
