INTERNATIONAL HOUSE is a residence and program center for foreign and American students primarily at the graduate level. It was established in 1930 through a generous gift of John D. Rockefeller, Jr., who donated funds to the University for the purchase of land and the erection and furnishing of the building. It was the goal of the founders that students of all nationalities might live under the same roof, and learn to know one another in an environment of mutual understanding and respect. The program during the academic year has four main purposes: (1) to assist students and visitors in realizing their academic and personal goals at the University; (2) to create a congenial environment where persons from diverse background and cultures may form friendships, enjoy stimulating conversations, and engage in exchange of ideas; (3) to advance each member's knowledge of other cultures and nations; and (4) to promote international understanding and goodwill.

Each semester International House serves about 600 residents and a similar number of non-resident members representing some seventy countries of the world and most of the states in the U.S.A.

This Facebook has been prepared at the suggestion of student residents and is exclusively for their use. No extra copies are available for distribution or sale to the public.

TRIBUTE
VANGIE BUELL: LIFETIME CULTURAL ADVOCATE

On October 31, 1992, Vangie Buell, Manager of the I House Events Office, since it first opened 8 years ago, retired. Vangie's life has been a manifestation of the core values of I House: she has enjoyed living at the forefront of diversity issues. Born in the Bay Area 60 years ago to immigrant Filipino parents, Vangie has spent her entire life here. She is a mother to three daughters, step-mother to 2 daughters, grandmother to three, and treasured friend to thousands.

During her tenure at I House, Vangie has overseen or produced over 10,000 events. Within that context, she identified several experiences and events that have been the most meaningful to her. She mentioned Sunday Suppers first, the event celebrating the House founding. She said they have always been her favorite, especially the most recent ones at which residents have a more significant and central role. Additionally, she valued the opportunity to mentor and inspire career and resident staff who worked with her at the Events Office, facilitating their appreciation of cultural diversity.

This year Vangie was one of only fourteen staff awarded the Chancellor's Outstanding Staff Award for Exceptional Employees. She was commended as a distinguished member of the Steering Committee of the UC Charitable Campaign for many years, and for the past two years, the Committee Chair. Her dedicated leadership overcame the staggering logistics of the Charitable Campaign and she has had a positive impact on the charitable spirit of the campus.

Vangie will begin her retirement by devoting more time to the East Bay Chapter of the Filipino American National Historical Society. For over two years, she has been involved in giving presentations that depict the experiences, aspirations and ideas of second generation Filipino Americans, born in the 1930's, 40's and 50's. More significantly, Vangie will begin writing a book that documents her own life as a second generation Filipina in the S.F./Bay Area. Other projects she hopes to devote more time to include serving on the Cole School for the Performing Arts Advisory Board, and the Berkeley Arts Commission.

Vangie's retirement makes many of us realize how much of a treasure she has always been to our global community. We wish her the very best in the next chapter of her fascinating life. Vangie, the doors of I House will always be open to you.
