PARKING & PUBLIC TRANSIT

International House is committed to sustainable practices for a healthier environment and encourages use of public transit when possible. In addition, ample bicycle racks are available for use outside our main entrance.

Special Event Parking

I-House does not have a public parking lot on site, although limited spaces in our small staff parking area can sometimes be coordinated in advance for weekend and evening events after 6 pm.

For large scale evening & weekend events, valet arrangements are coordinated with UC Berkeley's parking services and utilize nearby campus lots (Boalt, Underhill), with high parking capacity. UCB Parking & Transportation can be reached at (510) 642-4283/pt.berkeley.edu.

Large meetings and conferences held at I-House during traditional work hours require pre-purchase of public visitor parking permits and/or spaces held in advance by reservation from campus.
