INTERNATIONAL HOUSE AT UC BERKELEY

INTRODUCTION

The International House at UC Berkeley is a multicultural residential “living and learning” center of over 600 students and scholars from 70+ countries, including the U.S. Our mission is to foster intercultural respect and understanding, lifelong friendships, and leadership skills for a more just and peaceful world.

To promote this purpose, International House (I-House) features a wide variety of programs, including lectures, films, and festivals with an international focus. In addition, we offer leadership development of intercultural skills, which is available to residents, the campus, and the local community. These programs and trainings, which are held in our historic building adjacent to the UC Berkeley campus, address problems and offer solutions to global challenges in a changing world.

EXECUTIVE DIRECTOR'S MESSAGE

SHAUN R. CARVER

Dear International House Global Community,

It is with immense joy and pride that I welcome you to the pages of International House Berkeley's Fall 2023 Yearbook. As we leaf through these memories, we are reminded of the vibrant tapestry of diversity, the enduring bonds of friendship, and the spirit of excellence that defines the essence of our community.

Diversity has always been at the heart of International House, and it continues to be our greatest strength. As I reflect on the myriad nationalities, cultures, and perspectives that converge under our roof, I am struck by the richness that each of you brings to our community. This diversity is not merely a reflection of the world's myriad colors but a testament to our collective commitment to understanding, appreciating, and celebrating our differences.

One of the hallmarks of International House is the forging of lasting relationships and friendships that transcend borders. In the skein of our lives, these connections are the threads that weave stories of shared experiences, laughter, and support. As you peruse these pages, may you be reminded of the friendships formed, the bonds strengthened, and the memories etched in the fabric of your time here.

Networking is more than a buzzword at International House; it is a living, breathing reality. Our community serves as a nexus for global minds, a place where the seeds of collaboration are sown, and where the roots of lifelong professional connections take hold. As part of our global community, you carry the torch of International House values into the world, creating a network that spans continents, industries, and generations.

The commitment to excellence is a guiding principle for all who call International House home. Whether it be in academic pursuits, cultural understanding, or community engagement, our residents consistently strive for greatness. Your achievements are a testament to the transformative power of this unique living and learning environment.

Representation matters deeply to us. In every corner of our community, we see individuals stepping out of their comfort zones, embracing challenges, and emerging stronger and more resilient. The collective strength of our voices creates a symphony that resonates far beyond the walls of International House, advocating for inclusivity and equity.

Continued on next page.

INTERNATIONAL HOUSE AT UC BERKELEY

Executive Director's Message, Continued

Socializing and meeting new people are the catalysts for the magical moments that happen within these walls. The impromptu conversations in the lounge, the shared meals in the dining hall, the hubbub in Edmonds Café, and the laughter echoing through the patio all contribute to the vibrant mosaic of International House life. These interactions are the heartbeat of our community.

As you flip through these pages, I wish you are transported to the moments that defined your Fall 2023 at International House—moments of growth, discovery, and connection. This yearbook stands as a testament to the indelible mark each of you has left on our community.

In closing, let us remember that International House is not just a residence; it is a lifelong journey of exploration, understanding, and friendship. May the memories encapsulated in this yearbook serve as a source of inspiration for the adventures that lie ahead.

With heartfelt gratitude and warm wishes,

Shaun R. Carver, Ed.D., MBA
Executive Director and CEO
International House at UC Berkeley

DIVERSITEA & COFFEE HOURS

Residents take the lead in organizing DiversiTEA and Coffee Hours, an event that extends beyond the palate. Alongside savoring international culinary delights, attendees can immerse themselves in music, games, and trivia, that mirror the diverse tapestry of cultures in our community.

This isn't just about tasting; it's a chance for active participation. Those intrigued have the opportunity to host their DiversiTEA and Coffee Hour every Wednesday from 8:30 to 9:30 p.m. and share the unique flavors and traditions of their culture with fellow residents.

It's a chance to journey through diverse cultures without leaving the comfort of our community!

I-HOUSE SOCCER TEAMS

I-House FC

Launched by resident Bruno Tabet, the I-House FC competes every Wednesday night in the UC Berkeley soccer intramural tournament at Underhill Field. Throughout the season, the team faced its fair share of challenges and victories, participating in a total of 7 games and securing 3 wins. The strong support from fellow I-House peers has been a driving force behind the team's journey.

FALL 2023 IN REVIEW

YAO JOSEPH MARIE JEAN MARCEL KOUADIO Resident Council President

Since being elected, we have diligently embraced I-House's mission of fostering intercultural respect and understanding, nurturing lifelong friendships, and cultivating leadership skills for a more just and peaceful world. The diverse backgrounds, honed leadership skills, and unwavering support of the council, along with the help and dedication of our entire I-House staff, from the top management to the amazing custodian personnel, have served as potent catalysts for enhancing the I-House community. Together, we have forged an I-House experience that not only enriches our academic journey but also forges indelible bonds and shapes leaders who will actively commit to making the world a better place.

ELISE YI GAO, Resident Council Vice-President

We've achieved remarkable success in enhancing the residential experience with a diverse range of activities. I'm delighted to witness not only the dedicated efforts of our council members in organizing impactful events but also the invaluable contributions and insights from our extraordinary residents. A thriving community is shaped by the active involvement of each member, and I'm grateful to all residents for turning this belief into a reality. Thank you for your significant contributions to our community.
