

INTERNATIONAL HOUSE

“BUILDING OUR LEGACY”

DEDICATE-A-BRICK PROGRAM

International House at the University of California, Berkeley stands as a beacon of cultural exchange and understanding, dedicated to fostering intercultural respect, lifelong friendships, and leadership skills for a more just and peaceful world. Since 1930, I-House has been home to over 600 residents on any given day and has a legacy of approximately 95,000 alumni from over one hundred countries and every U.S. state. I-House remains one of the largest multinational residential and programming cultural centers in the world.

Through the I-House Dedicate-a-Brick program, you can help ensure that this I-House legacy continues to grow for generations to come. Dedicate a brick (or more than one!) to memorialize your time at I-House, honor a friend, or celebrate the life of a loved one. Your dedication will be engraved onto a brick and placed on the patio in front of the I-House Edmonds’ Café. Your gift will support the programs and initiatives that make I-House a home away from home for students from around the world and serve as a tangible symbol of your commitment to fostering cross-cultural understanding.
