International House is a hub of international activity at the University of California Berkeley and offers residential and program services to U.S. and international students, visiting scholars, researchers, and postdocs. The Board of Directors, senior team, and staff of International House at UC Berkeley remain committed to keeping I-House open and available for the residential and dining needs of our diverse community of residents during summer 2020. All incoming summer term residents will be required to provide health screening documentation to ensure health and safety for all residents.

I-House is celebrating nine decades of maintaining a unique community of support for both U.S. and international students. For summer 2020, we are offering single room housing and dining to UC Berkeley students and scholars and individuals affiliated with other academic institutions. Some of the benefits of I-House residency include:

- Great location on campus! Located near Haas Business School and the Law School at the top of Bancroft Avenue;
- Affordable single furnished rooms with shared bathrooms and meal plan;
- Wireless Internet;
- Our beautiful, historic building is within walking distance of the central campus classrooms and libraries, recreational facilities, and Berkeley shopping and restaurants.

For 2020 Summer Room and Board Rates please visit our [website](#), or email us at [ihres@berkeley.edu](mailto:ihres@berkeley.edu). International House requires that all residents must be at least 18 years of age to stay at International House and be engaged in some form of academic work.
